name. Well, a friend of mine named

82 C

Steve Goodman wrote that song And he told me it was the perfect country and western song

85

I wrote him back a letter and I told him it was not the perfect country and western song because he hadn't

88

said anything at all about Mama or trains or trucks or prison or gettin' drunk.

91

Well, he sat down and wrote another verse to the song and he sent it to me, and after

94

readin' it, I realized that my friend had written the perfect country and western song.

97

And I felt obliged to include it on this album.

100

The last verse goes like this here.
